Required for September 2021 or earlier if possible

We are looking for a Teaching Assistant to join our supportive team at Emerson Valley School. This is a great opportunity for a hardworking and enthusiastic individual to join our dedicated and caring support staff team. We are a 4-form entry junior school in the heart of Emerson Valley. We are Federated with Merebrook Infant School and as a Federation prioritise the wellbeing of all of our staff and children. All staff are entitled to one wellbeing day per academic year during term time.

The role will include supporting children with EHCPs, delivering interventions and supporting groups of children. You will primarily be based in one year group but expected to be flexible to work across the primary age range. Part of the role will include lunchtime supervision. Experience of working with children with Special Educational Needs is preferred but not essential for the right candidate. As part of your contracted hours, there will be a regular 1 hour session for training or admin tasks per week.

Usually, we would encourage visits to school, however due to COVID-19 we are continuing to minimise visitors where possible. If you would like to discuss the role further, please email or telephone as per the contact details above. The application form and further information, including the role description, can be downloaded from our website. Application packs are also available from the school office.

Closing Date for applications: Friday 14th May 2021 at 9am

Interviews: Week beginning 17th May 2021

**The successful applicant will require an enhanced DBS check.
The school is committed to safeguarding and promoting the welfare of children and expects all staff to share this commitment.**
