

### Year 5 Autumn 1 – Homework Menu

Below is a table of homework activities for you to choose from each week. Over the half term you must complete at least one English task and one maths task. You may choose to complete all of the activities if you wish to do so, but the minimum expectation is for one to be completed each week. Any projects completed as part of the curriculum tasks can be brought into school the week of the 17<sup>th</sup> October to be shared. **These tasks are in addition to learning the spellings and reading four times a week.**
