- This must be added to the Google Classroom console by 9pm the day before the children are due to complete the work.
- There must be differentiated work to cater for children that are in different groups.

- The feedback will be shared by the teacher making comments on the work. This could comprise of: comments, scaffolding or examples.
- The feedback must be completed on the child's work by the end of the following day. E.g. a child completes their work on Monday, the feedback must be completed by the end of Tuesday.

#### Communication

- Safeguarding concerns that are raised must be dealt with following the schools Child Protection policy and safeguarding statement.
