Dear Parents and Carers,

Next week is a busy week! Although there are end of term celebrations, learning will take place right up until the end of week. We know that some children find this time of year unsettling as there are different routines, and we find that keeping to our normal day-to-day routines helps with this.

I hope that you enjoy reading **your child's end of year report**, which will come home today. Please remember that we really value your views on these reports and would encourage all parents and carers to complete the survey about their child's report so that we can share your views with their Teacher. The link for this survey can be found in the letter that you should have received by parentmail today.

Next week, Teachers will be **sending home your child's exercise books from this year**. Please send your child into school every day with a reusable bag, e.g. a 'bag for life' or similarly strong carrier bag, to enable them to bring these books home. We will keep a sample of books from across each year group. If we are keeping your child's books temporarily, your child's class teacher will let you know. Their books will then be returned to you at a later date.

All Parents and Carers of children in Year 6 are invited to attend the Year 6 Leavers assembly and awards ceremony on Thursday 18th July at 9:30am. Awards ceremonies for children in years 3, 4 and 5 will also take place on Thursday, however we are unable to accommodate parents and carers for these year groups. All award winners will be celebrated in our final newsletter of this term next Friday.

Children are definitely getting excited about the upcoming football final this weekend. **Come on England!** If your child enjoys football, you may be interested to know about the **Kellogg's Football camps that are running in MK over the summer holidays**. All you need to do is buy a box of Kellogg's cereal, scan the QR code on the pack (like pictured in the poster attached to this newsletter) and follow the instructions to sign up. You'll then receive a code within 24hrs to then sign up for a free day of football in one of the camps.

Please remember that the last day of this term is Friday 19th July 2024.

Have a relaxing weekend,

Mrs White
Executive Headteacher

The MK Libraries **Summer Reading Challenge** starts next Friday. This initiative aims to promote reading for pleasure over the summer holidays and combat the holiday dip in reading levels with a fun and achievable challenge. For more information, visit: <https://www.milton-keynes.gov.uk/>

YOU'RE INVITED TO A

*Pre-loved
uniform shop*
