

## Year 4 Autumn 1 – Homework Menu

Below is a table of homework activities for you to choose from each week. Over the half term you **must** complete at least one English task and one maths task. You may choose to complete all of the activities if you wish to do so, but the minimum expectation is for one to be completed each week. Any projects completed as part of the curriculum tasks can be brought into school the week of the 21<sup>st</sup> October to be shared. House points will be given out for homework.

Remember your log in is stuck in your reading diary.

Reading should be completed daily and recorded in your reading diary. We will check your reading records every Monday. You will be put on the 'Rainbow' for reading 4 times or more at home during the week and recording it in your reading record.
