

Year 4 Autumn 2 – Homework Menu

Below is a table of homework activities for you to choose from each week. Over the half term you **must** complete at **least one** English task and one maths task. You may choose to complete all of the activities if you wish to do so, but the minimum expectation is for **one to be completed each week**. Any projects completed as part of the curriculum tasks can be brought into school the week of **the 16th December** to be shared.

Mirodo link - <https://app.mirodoeducation.com/school/login>

Remember your log in is stuck in your reading diary.

Reading must be completed daily and recorded in your reading diary.

Log onto **TTRS** and complete **2 sound checks** and then a game of your choice at least 3 times a week to improve your multiplication knowledge and your recall speed.

<u>English Task 1</u> Log on to Mirodo and complete the questions linked to noun phrases .	<u>English Task 2</u> Log on to Mirodo and complete the questions linked to reading and inference skills .	<u>English Task 3</u> Log on to Mirodo and complete the questions linked to punctuating sentences .
<u>Maths Task 1</u> Log on to Mirodo and complete the questions linked to working out the area .	<u>Maths Task 2</u> Log on to Mirodo and complete the questions linked to mental addition and subtraction .	<u>Maths Task 3</u> Log on to Mirodo and complete the questions linked to mental multiplication and division .
<u>Curriculum Task 1</u> Linked to our work in Geography make a 2D or 3D plan / map of the local area.	<u>Curriculum Task 2</u> Linked to our work in Art (Drawing: Power prints) draw something of interest to you, using tone to create a 3D effect.	<u>Curriculum Task 3</u> Make a model building or vehicle e.g. house or car (see examples below), which uses a switch in an electrical circuit. You do not need to make the electrical circuit at home, but you can if you want to, as this model will be used in our science lesson (Week 6). https://www.youtube.com/watch?v=nUlc6CdeJDk
