Year 5 Spring 1 – Homework Menu

Below is a table of homework activities for you to choose from each week. Over the half term you must complete at least one English task and one maths task. You may choose to complete all of the activities if you wish to do so, but the minimum expectation is for one to be completed each week. Any projects completed as part of the curriculum tasks can be bought into school the week of the 12th February to be shared. **These tasks are in addition to learning the spellings and reading four times a week (please record reading in reading records).**

| Curriculum Task 1 | Curriculum Task 2 | Curriculum Task 3 |
| Can you research and create a fact file all about rivers? You can use Purple Mash or create it by hand. | Design and create your own model of a river. You could draw (adding colour or paint) or you could make a 3D model that actually works and shows the different stages of a river. We want you to be as creative as possible. | Make a portait of someone in your family or a pet.<br><br>Challenge: create a self-portrait using a mirror. |
