Dear Parents and Carers,

As part of our commitment to ensuring the safety of our children at drop off and collection times, **each class is taking part in a road safety talk with their Teacher.** Some classes have already done this, and some classes will be doing this over the next few weeks. Despite regular reminders, both publicly and individually, some parents and carers continue to ignore our pleas for everyone to consider the safety of our community, cars continue to park illegally and unsafely at these key times. **Please expect your child to challenge you if you are parking illegally!** Thank you once again to everyone that does follow the Highway Code and the rules of the road.

Next week, we invite parents and carers of children in **Years 3 and 4 into school at the end of the day on Wednesday for our Reading Workshop. This will take place in the hall from 3:35pm.** The focus of this session will be how you can support your child with reading and how we promote reading for pleasure at EVS. If you are able to attend, please collect your child as normal and then enter the school hall via the side doors at the back of the school. There is a similar session for Years 5 and 6 the following week, after school on Wednesday 12th February.

Have a good weekend,  
Mrs White  
**Executive Headteacher**

## NO CHILD SHOULD HAVE TO GO TO BED HUNGRY

Across the Federation, we are working with **St Mark's Meals to provide meal boxes to families in need.** The meal boxes provide everything needed to make a simple family meal, including all of the ingredients, a recipe card and even fun activities for children to complete. We have received a delivery of these meal boxes and are able to offer them to families free of charge. There are different boxes, including vegetarian and gluten free options.

**These boxes may be offered directly to families, but please reach out to any member of staff if you feel your family would benefit from one of the boxes.**
