Dear Parents and Carers,

It has been a short but busy week at EVS. On Thursday, Miss Bennett held a whole school assembly to talk to our school community about the **80th Anniversary of VE day**. Please see our Facebook page for some photographs of activities that took place across the school to mark this memorable day.

Our calendar for the summer term is very busy. More in school events and trips for some year groups have been added to the **overall calendar on page 2**. Please take note of anything new in red—details of these will be sent separately from each year group in relation to any specific arrangements. **Please see information below regarding the upcoming celebration of work events in each year group.**

Please can I remind Parents and Carers that any absence from school should be reported through Arbor. Please avoid leaving an answer phone message or emailing in as this slows down our morning registers process. If you are not sure how to do this, please speak to a member of our office team who will be happy to assist you.

Next week **our Year 6 children will be taking their SATS** in the mornings from Monday to Thursday. These are national tests which all Year 6 children across the country are completing. This is an opportunity to show their Teachers how much they have learnt during their time at EVS. We wish them lots of luck and know that they will do themselves proud by trying their absolute best.

Please ensure that your child arrives at school on time to ensure that they have the best start to their day. Breakfast of toast and fruit will be available from the Year 6 shared area for Year 6 children only from 8:15am on these days. This will stop promptly at 8:40am.
